

## 2011 Facility Super Star Awards Call for Nominations

*Long-term care facilities are staffed by highly motivated employees who have dedicated their lives to serving a segment of health-care where recognition is seldom given. There are large numbers of veteran employees working in long-term care facilities who have a sincere dedication to their chosen field, and should be showcased to consumers, legislators, government agencies and the media.*

“Facility Super Stars” are veteran employees who have dedicated their lives to serving the facility or home and its residents/clients, as well as being involved in the local community.

**Please note: Only one Super Star may be recognized from each facility.**

Nominees should meet the following criteria:

- Employed full or part-time in long-term care at a CAHF member facility
- Not currently a facility administrator
- At least 10 years of service in long-term care. (Does not have to be at the same facility/home.)
- Climbed the career ladder in the face of odds that might have discouraged lesser people (family responsibilities, lack of funds, physical challenges, lack of formal education, etc.).
- Demonstrates active participation in the community in which he/she lives.
- Has received special recognition in his/her own right (first LVN, specialized degrees, civic awards for involvement in community, school, youth, senior or church work, etc.)

The top 20 nominees will be selected to receive a Facility Super Star Award and will be honored at an awards ceremony during CAHF's Annual Convention in Palm Springs this November. All other nominees will receive a special certificate of recognition.

Nominations must be submitted to CAHF by **August 31, 2011**. Please include a clear photo of the nominee for use in the awards program and on CAHF's Web site. The photo can digital or print, color or black and white, as long as it is of good quality.
