

Pledge Form
**Career Climb/Paul Tunnell
 Scholarship Fund**
“Giving From the Heart”

“We are only as good as the people we have working for us. Pay them well, treat them well. If you have happy employees, you have happy residents. I don’t know if we say that you enough”
- Paul Tunnell

The QCHF scholarship program started in 1985 as the Feingold Scholarship. Dr. Feingold gave an endowment of \$22,000 in memory of his wife, Shirley. The interest from this endowment has been made available for scholarships. In 1995 Life Care Foundation gave a donation of \$15,000 and the scholarship program became known as the “Career Climb Scholarship Program”.

In 2005 the Paul Tunnell Scholarship Fund was established in memory of CAHF Chairman of the Board Paul Tunnell, who lost his battle with non-Hodgkins Lymphoma.

For many years, Paul personally made an annual contribution to the **QCHF Career Climb Scholarship Fund** to provide opportunities for the employees of long-term care health facilities to further their education in their field.

The contributions of private individuals like Paul, as well as those of small businesses and large corporations, have helped make a significant difference in the lives of long-term care professionals and the people they serve. We thank them for their support.

In honor of **Paul Tunnell**, I pledge
 \$_____ to the Scholarship Fund

Name: _____

Address: _____

City: _____

State/Zip: _____

Phone #: _____

Email: _____

Facility/Company: _____
